

## Customisation

### Make your Home your very own - Flexible Customisation Room Sizes

When finalising our designs, we endeavour to make the best use of every inch of floor space. You, as the client; may have your own preferences as to room layout and positioning of electrical power points, radiators etc. We are available at any time to sit down and discuss your requirements with you, this is your home and our job is to give you satisfaction.

#### Kitchens

To complement your new home, we have a wide range of stylish kitchens of the highest quality to choose from. From traditional to the more modern designs with appliances to suit (subject to individual sales agreements) along with a choice of ceramic tiling to both floors and walls.

#### Lounges

Depending on the design of property, we provide flexibility in the materials used in fitting out your home. From deep moulded skirting, stylish plaster cornices, ceiling roses, panelled doors and dado rails to Victorian or more modern fireplaces. We will always meet your specific colour scheme requirements. The Cromwell Homes Team... Graham Aldis - Owner and MD Graham is tasked with acquisitions, sales and general company business.

Sharon Sharp - Financial Controller Sharon maintains strict financial control.

John Dean - Construction Director John ensures that properties are built to the Cromwell Homes exacting standards.

We endeavour to provide you with as much information as possible about our Company, our Practices, our Standards and our Properties on this site and sincerely hope you find it useful in your search for the perfect Home. Contact us [HERE](#)
